<b>Subject:</b>	Contatto application notes for the tcs AVU14010-0010
<b>Description:</b>	This document contains some hints for the configuration of the tcs AVU14010-0010 door phone. It is not a complete description! For detailed information please take a look in the manufacturer's documentation.

<b>Initial operation:</b>	For the use with the contatto FlatClientPC/CE-Bas the AVU14010-0010 has to be set do direct IP mode (Jumper setting)
